**THE BRAND**

# Expedite Liners Trade Link LTD

A premier logistics and trucking firm providing comprehensive, client-centered, and tailored solutions, committed to excellence and integrity. We are a team of highly experienced professionals, possessing a deep understanding of the transportation industry and a strong passion for seamless delivery.

A new brand identity has been designed for Expedite Liners Trade Link LTD that captures the company's simplicity and ease of use. The new logo works consistently in different scales and contexts, with a more refined color palette that retains the brand's professional visual personality.

The new identity palette features three primary colors, more manageable, which have suffered against any background color other than white. These have been optimized to look better on all backgrounds.

# THE BRAND

**We're a dependable engine that drives commerce forward,** providing peace of mind to clients who rely on their services

## WHOM WE SERVE

### **Manufacturing and Industrial Companies:**

Businesses that produce goods, from consumer products to heavy machinery, rely on logistics companies to transport raw materials and finished products.

### **Importers and Exporters:**

Given Uganda's status as a landlocked country, businesses that engage in international trade are a key clientele. They need reliable partners to handle the complexities of customs, freight forwarding, and cross-border transport, particularly to and from major ports in neighboring countries like Kenya and Tanzania.
